## MAY 2026 HAPPENINGS AT RUTLAND PLACE SENIOR LIVING

## A Month of Many Celebrations!

What a beautiful time of year! The sunshine, the warmer weather, the beautiful flowers and blooms of spring! Thank you Sandra Sims, Doug McVey and Jerry Beatty for doing such a wonderful job planting on the patio and outside the Dining Room windows! Everyone needs to go outside and enjoy the tranquil setting of our beautiful patio! And thank you for the fresh flowers in the Lobby and making the front entrance look nice!

Our awesome Life Enrichment Director, Jani, has so many fun things planned. We'll kick off the month wearing our fancy hats while we watch the Kentucky Derby in the Theatre. Then we'll head "South of the Border" for a fun filled fiesta on Cinco de Mayo, complete with colorful décor, delicious Mexican food and the amazing authentic Mexican musical entertainment by one of our favorites, Luna Morena!

We will pay tribute to the Mothers in our lives with a special

Mother's Day Brunch. This will be a fabulous event and you will want to invite family and friends to join you! Please make sure to RSVP at the Front Desk.

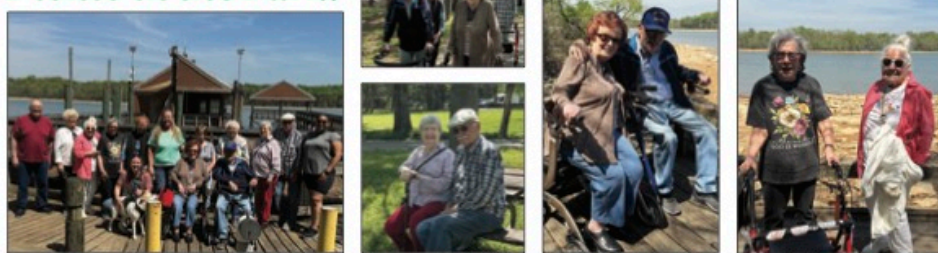

We will also commemorate Memorial Day with our fantastic All American Lunch Buffet. While the holiday marks the traditional beginning of summer and is always cause for celebration, please remember its true meaning. The memory of those heroes who made the ultimate sacrifice so that we may enjoy our freedom. As a reminder, there will be no dinner service on Memorial Day so that staff may spend holiday time with their families.

It's going to be a great month at Rutland Place! There's never a dull moment, so come on out and have some fun! Rutland Place is abloom with the spirit of spring, offering endless opportunities for enjoyment.

Happy Spring!

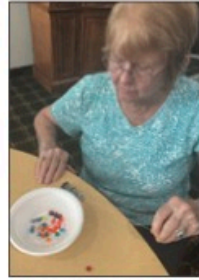

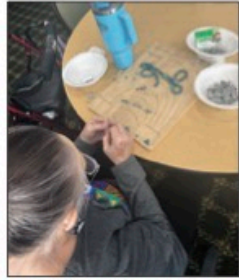

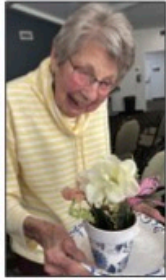

—Karen Tucker, Executive Director

### Picnic in the Park!

Residents enjoyed a treasured tradition—a delightful springtime outing at Long Hunter State Park.

## Crafting and Jewelry Making Fun!

## A NOTE FROM JANI May Reflections

As we step into the lovely month of May, we're excited to celebrate the beauty and meaning this time of year brings. Mother's Day is one of the most cherished moments of the month, honoring mothers and caregivers with traditions that date back over a century in the United States. Did you know it became an official holiday in 1914?

May is also filled with fun seasonal facts like being named after Maia, the Roman goddess of growth, which perfectly reflects the blooming flowers and warmer days all around us.

As we approach the end of spring, we'll enjoy the longer daylight hours, fresh air, and the vibrant colors of the season. Make some new friends, join in some fun activities and as we enjoy spring and prepare for summer!

—Jani Miller, Life Enrichment Director
